

The AgeTech Digest

What You Need to Know About AgeTech Right Now

Jan 2023 Edition

AgeTech Startups Shine at CES 2023 – Who Led the Charge?

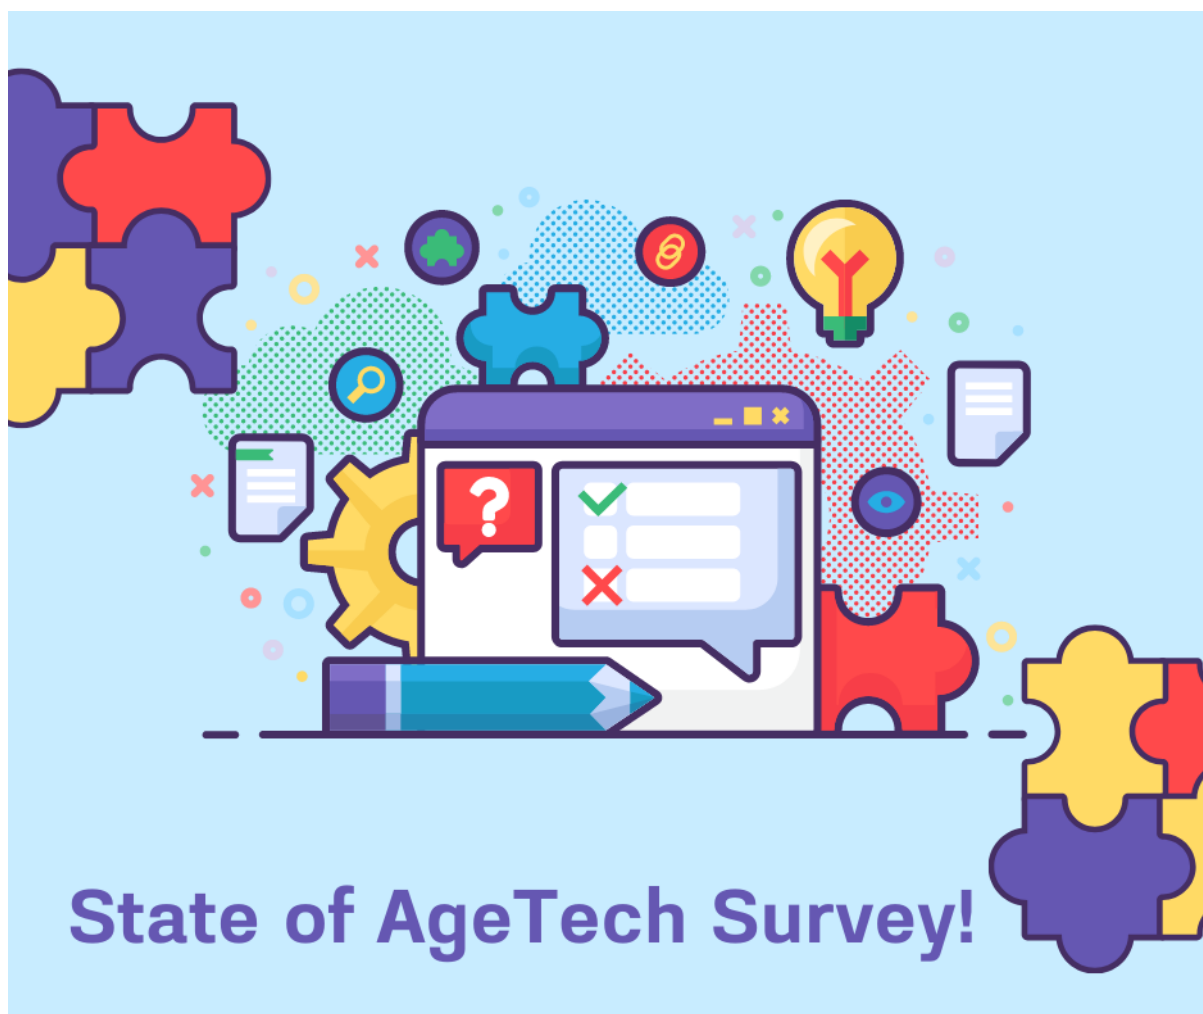

CES is one of the most influential tech events in the world, and this year, AgeTech took center stage.

From keynote speeches featuring industry leaders at AARP’s AgeTech Summit, to startup showcases, CES 2023 attendees were able to learn more about the exciting innovations in AgeTech, and how these innovations are transforming the way older adults live.

Which startups won awards, launched products and shone brightest?
